This guide has been compiled by SLUG in good faith, solely with the aim of assisting passengers transferring between trains and buses on the Stourbridge Line. It is complete and correct to the best of our knowledge, but no liability can be accepted in the event of any errors and omissions.

- the numbers of all bus routes that use these stops, plus a link to each routes timetable on the bus company's website.
- A link to Googles Maps which details the next bus departures from any stop close to the station by clicking on the stop icon and then on the required bus route number from the list on the left.
